

# CREATIVE WRITING FOCUS AWARD

---

[pcc.edu/programs/writing/creative/](http://pcc.edu/programs/writing/creative/)

The Creative Writing Focus Award is designed to offer students a rounded experience in the craft of creative writing. Students work on their own writing, workshop their writing and the writing of others, study literature, and learn about editing and publishing. This program introduces students to the field of creative writing as well as enhancing degrees from other disciplines. Through introductory and advanced courses in creative writing and literature, a Creative Writing Focus empowers students to realize themselves as writers and imagine the possibilities of a career in creative writing.

All courses required for a Creative Writing Focus Award meet AAOT (Associate of Arts, Oregon Transfer) degree requirements. Focus awards are not to be confused with degrees or certificates, are not officially recognized by the state, and do not appear on transcripts.
