CAREER PATHWAYS DEPARTMENT

971-722-6271
pcc.edu/career/pathways/

The Career Pathways Department supports students to complete short-term, stackable credentials that lead to a degree and jobs that offer pathways for advancement. Career Pathways certificates are 12 to 44 credits, can be completed in less than a year, and prepare students for employment in high-growth, high-demand industries while also providing a stepping stone to an associate degree, bachelor degree, and beyond. There are many Career Pathway options to meet the needs of students. Whether students are attending college for the first time, changing career paths, upgrading skills in their field, ESOL, or recent GED or high school graduates, there are pathways to meet their needs.

Career Pathways supports and empowers students to reach their education and career goals through:

- Individualized career and college success coaching
- Free classes and workshops, to promote college success and prepare students for internships and career opportunities
- Connection with internships, job shadows, employer presentations, and job opportunities
- Assistance navigating college resources, the process of becoming a student, and how to pay for college
- Educational advising, to map out students' options for advancing their career and education over time
- ABS Career Pathways designed for ESOL, GED, or students testing into Math 20, Reading 80/90, and Writing 80/90: ABS Pathways offer students a faster path to gain the skills and college certificates they need to quickly enter the workforce and/or complete their degree. ABS Pathways allow students to build their academic and/or English communication skills while they are taking their college classes, in a format that is relevant to their lives and career goals.

PCC's Small Business Development Center (SBDC) is a hub of entrepreneur and economic development for small businesses throughout the PCC district. Utilizing a business development pathway model which guides the entrepreneur through the stages of business development – pre-start, start-up, pre-growth, growth, maturing, and transition – the SBDC challenges and inspires small business owners to grow healthy businesses; creating jobs, increasing sales and accessing capital. The SBDC combines business education with business advising to create an environment that supports small business owners in achieving their goals. Services include: business concept development programs, business design programs, entrepreneurial skill programs, small business management programs, international trade advising and education, and capital access services.

COMMUNITY EDUCATION

971-722-6266
pcc.edu/community/

PCC Community Education provides hundreds of non-credit personal enrichment classes that feature local experts as instructors and do not involve grades or exams. Classes are offered in five general areas: *Arts, Home and Garden, Language and Culture, Recreation and Wellness*, and *Work and Life Balance*. Educational travel programs are also offered in addition to the programs listed below.

Most Community Ed classes are designed for adults (age 16 and over) and are typically offered during evenings or on weekends to accommodate busy personal schedules. Classes are offered at PCC

campuses and centers, in neighborhood locations throughout the Portland metro area, and online at pcc.edu/online.

Non-credit classes do not meet the federal requirements for financial aid and most Veteran's benefits, are not equivalent to credits and may not be used toward PCC certificates and degrees.

Continuing Education and License Renewal

Community Ed provides Continuing Education courses which offer CEU credit used for professional licensure renewal and preparation for taking the next step in one's career. Class formats feature in-person, hands-on learning opportunities from industry experts. Visit pcc.edu/career for more information.

Traffic Safety

Community Ed offers ODOT approved Driver Education for teens and adults. Drivers Ed classes are available at many PCC campuses and centers and area high schools. Visit pcc.edu/community/drive/ for more information. ODOT required motorcycle rider safety training courses are also offered in cooperation with TEAM OREGON. Visit <https://team-oregon.org/> or call 800-545-9944 for more information.

Summer Teen Program

Additionally, Community Ed offers dedicated summer term classes for teens (age 12-17) through the Summer Teen Program. Visit pcc.edu/community/teen for more information.

Swim with Community Ed

Community Ed also offers youth, adult, and parent/child swim classes through the Swim with Community Ed program. Classes are based on American Red Cross curriculum and offer a positive learning experience with low student-to-teacher ratios. Visit pcc.edu/community/swim for more information.

INTERNATIONAL CUSTOMIZED CONTRACT TRAINING

971-722-2889

Portland Community College's International Contract Training Program (ICT) offers international business, industry and government traditional and customized training and educational services. ICT offers international organizations more than 60 traditional degree and certificate programs available through PCC as well as the option of customized training and educational services offered in the United States.

OCCUPATIONAL SKILLS TRAINING

Southeast Campus
Mt Tabor Hall (MTH), Room 128
971-722-6127
971-722-6124 (fax)

pcc.edu/programs/occupational-skills/

The Occupational Skills Training program is designed to provide the opportunity for students to receive instruction in a specific occupational area. The programs are individualized and allow flexibility in program design, delivery, and implementation. Individualized plans are developed in consultation with the student, PCC faculty, PCC OST coordinators, work-site supervisors, and agency representative(s), if appropriate.

For more information, please see the Occupational Skills Training section of the catalog.
