ASSOCIATE OF SCIENCE OREGON TRANSFER-BUSINESS DEGREE (ASOT-BUS)

The Associate of Science Oregon Transfer-Business (ASOT-BUS) degree is designed for students planning to transfer credits to an Oregon public university and seek entry into that institution’s Business program. Students completing the ASOT-BUS will have met the lower-division General Education requirements of an Oregon public university’s baccalaureate degree program. Students transferring will have junior status for registration purposes.

Admission to the Business School of an Oregon public university is not guaranteed upon completion of the ASOT-BUS degree. Some institutions have specific requirements for admission to their Business program. Examples include: a higher minimum GPA requirement, a requirement that specific courses within the ASOT-BUS be taken for a letter grade (meaning that courses taken P/NP will not be accepted), or additional coursework. It is strongly recommended that students contact the specific Oregon public university’s Business program early in the first term of their ASOT-BUS course work to be advised of admission requirements.

The ASOT-BUS is awarded to students who meet the following:

1. Associate Degree Comprehensive Requirements

UNIVERSITY SPECIFIC PREREQUISITES, RECOMMENDATIONS

Each Oregon public university has different requirements for its Business program; in some cases, meeting the minimum requirements of the ASOT-BUS degree will not fulfill the eligibility requirements for admission to the school’s Business program. Examples of eligibility requirements include: a higher minimum GPA for admission than is required for the ASOT-BUS, a requirement that specific courses within the ASOT-BUS degree be taken for a letter grade (courses taken P/NP will not be accepted), or additional coursework beyond that included in the ASOT-BUS. Students are advised to contact their Oregon public university destination’s Business program early in the first term of their ASOT-BUS course work to be advised of admission and additional course requirements beyond those stipulated above.
