## DESCRIPTION

All PCC Japanese courses are taught using an immersion method. The objective of all Japanese courses is to help students to develop communicative competence and proficiency in comprehension, speaking, reading, and writing Japanese as well as cultural awareness. Assessment is based on consistent attendance, active student participation, and written and oral assignments.

There are no prerequisites and requirements for entry into the first term of first year Japanese. However, the student should read the Japanese course descriptions for other Japanese courses. Students who have studied Japanese before and are unsure of their placement are encouraged to consult with a Japanese language instructor since they will not be admitted to a course if their skill level is too advanced for the course.

All students who enroll in world language classes (including those on the waiting list) are expected to attend class the first day when material essential for successful completion of the course will be presented. Students who do not attend the first class session may be replaced by those who do attend.
